age: 35 years old

skills: HTML, CSS, Java Script, React JS, GitHub

Hi, my name is Vadim, I'm a beginner JavaScript and React Developer,  
I'm looking for the chance to become a strong skilled front-end developer,  
My current coding skills are: Good understanding of HTML CSS, Java Script  
and basic of React JS, also I have some experience with Node.js, npm package manager,  
git.

I will be glad and happy to join your team and get commercial work experience.

Best regards,Vadim Samkharadze
